MEMORANDUM FOR

25X1

SUBJECT: Requests for Guest Speakers

Attached is my response to request from Commander General, Air University, for a talk by [redacted] of O/SI.

25X1

Also attached are responses which I have received from O/NE and O/SI relating to the request from the Air War College.

I am inclined to reply to the War College, offering [redacted] (on the ground that the Director's schedule is too heavy) and let them insist on "high rank and reputation", if they so desire.

Do you concur?
